

American Ranch Horse Youth Foundation American Ranch Horse Association Youth Activity Scholarship Guidelines

In addition to the merit scholarships the ARHA will present a scholarship annually to the preceding year's Year End High Point Youth. The following criteria will apply:

- The High Point Year End award winner must have completed high school and be enrolled in college or post-secondary school to be eligible for the actual receipt of this scholarship.
- This award will be presented at the World Show the summer following their high point year-end designation.
- The youth must supply verification of their acceptance at a college/university or a post-secondary educational program for the upcoming year (or if they are already attending verification of their on-going program participation).
- If the award winner is not yet in college/post-secondary school, the funds will be held until their graduation from high school when verification of attendance is received.
- The scholarship funds will be payable to the college/post-secondary school identified.

2014 World Show High Point Youth

2014 is the Ten Year Anniversary of the ARHA. As part of the celebration of this milestone the ARHA will award an additional scholarship to the youth winning the High Point Youth honors at the World Show. All of the above criteria will apply to the award of this scholarship, with the exception of the timing of the award. This scholarship will be presented/designated to the 2014 High Point World Show Youth at the end of the show during the awards event.
