

2015 WORLD SHOW SPONSOR

Monrovia Equine and Small Animal Clinic is a new state of the art facility located in Mooresville, Indiana, and 2 exits away from the C Bar C Expo Center. The clinic is equipped with an outpatient suite with stocks, a surgical suite with padded recovery room, and an eight stall barn including an intensive care stall. For our small animal patients, we include an intensive care ward, hospitalization cages for animals of all sizes, and isolation facilities. In-house laboratory services are also available.

In addition to the clinic, Monrovia Equine and Small Animal Clinic has fully equipped ambulatory vehicles to provide a variety of equine services in the field. Digital radiology, ultrasound, shockwave, dental services, game ready sessions, cold laser pain therapy sessions, and chiropractic work are just a few of the ambulatory services we offer. Our clinic will be of service during the ARHA World Show for all sports medicine issues, pre-purchase examinations, and emergency care needed also. Monrovia Equine & Small Animal Clinic is fully staffed, to answer calls 24/7, and will be available during your entire stay in Cloverdale for not only your equine athletes, but also your canine companions.

We wish everyone safe travels, and the best of luck at the 2016 ARHA World Show!
