American Ranch Horse Association

Cow Catching Score Sheet

Class:_____

Date:_____

Judge:_____

CLASS GUIDELINES

A) Judges are required to use stop watch as a back up to timer.
B) Honda must be of a factory plastic breakaway type.
C) The rope must drop over the cows head (unless using horned cattle). Any catch is considered legal.
D) Show Management may use horned cattle but must have horn wraps. If using horned cattle, slick horn or half head is also a legal catch.
E) Exhibitor must dally on horn to break honda. If exhibitor fails to dally, a five (5) second penalty shall be applied to time.
F) Loss of rope will be a DQ.
G) Mechanical hackamore, martingales, tie-downs with noseband of leather, rope, nylon or padded covering may be used. Slip or gag bits, and twisted mouth pieces are allowed, if not severe.
