Premier World Show Facility

ARHA World Championship Show

Summer 2027

About Us

The American Ranch Horse Association (ARHA), founded to promote and preserve the heritage of the versatile working ranch horse, serves as the official governing body for ranch horse competition nationwide. Committed to showcasing the athleticism, trainability, and tradition of the ranch horse, ARHA provides opportunities for riders of all ages and skill levels through a wide network of sanctioned events and affiliate organizations. The association's premier event, the ARHA World Championship Show, brings together top competitors from across the country each year to compete at the highest level of ranch horse competition. This prestigious event, along with a full calendar of local and regional shows, highlights ARHA's mission to celebrate and advance the legacy of the ranch horse.

Request For Proposal Objective

Facility to Host the 2027 ARHA World Championship Show
Issued by The American Ranch Horse Association
Proposal Deadline: October 15, 2025

The American Ranch Horse Association (ARHA) is currently seeking proposals from qualified venues to host the 2027 ARHA World Championship Show. Scheduled for the summer of 2027, this premier event will welcome a diverse group of competitors—ranging from entry-level riders to elite exhibitors—along with their horses, families, fans, and ranch horse enthusiasts. Spanning approximately seven to ten days, the World Championship Show serves as a national celebration of the American Ranch Horse, showcasing the versatility, athleticism, and tradition of the breed through a full slate of competitive and community-focused activities.

Facility Requirements

Stalls: Minimum 500 Stalls

Cattle Housing: Minimum of 150+ Head overnight

Arenas: Two Competition Arenas + Warm Up Space/Arenas

RV: Host a minimum of 70 RV Spots

As a premier event for the American Ranch Horse Association, the ARHA World Championship Show requires a facility that can fully accommodate the unique demands of our diverse and growing sport. Essential requirements include ample, well-maintained stalling; multiple high-quality arenas suitable for a variety of ranch horse classes; and secure, functional cattle handling and housing facilities. These elements are critical to ensuring the success of the event and delivering an exceptional experience for our exhibitors, horses, and spectators alike.

Proposal Requirements

Please include the following in your proposal:

Detailed Facility Overview & Background

Availability Dates & Pricing

Proximity to: hotels, restaurants, local cattle supplies

Any local incentives or sponsorship contributions

On site Services or amenities

Photos or diagrams

Evaluation Criteria

Proposals will be evaluated based on:

- Local incentives & guaranteed sponsorship dollars
- Proximity to hotels, restaurants, and cattle suppliers
- Facility quality experience with equine events specifically those with cattle events
- Availability cost and structure
